

## INDEX OF HEALINGS BY JESUS IN THE GOSPELS

One study reference book which deals with healings performed by Christ in great detail, but no longer available from the International OSL book store (some copies available through online book stores), is the following book, which contains a complete overview of the Biblical record of healing. Published by Fountain Trust in London and copyrighted in 1973, "Salvation and Wholeness" by John P. Baker.

### HEALING ENCOUNTERS WITH JESUS
