Ways to Make a Gift

- ◆ Check payable to MISH
- ◆ Credit Card (Visa, MC, AmEx)
- ◆ Online at MusicSH.org
- ◆ Corporate Matching

Where Your Support Will Go

MISH's mission is to make high quality music accessible to every household in the Somerset Hills by providing superb concerts and a wide variety of music education opportunities. This is achieved by using local venues and by keeping ticket prices low and camp admission affordable. So MISH relies heavily on support from businesses and individuals to help it meet the costs.

As well as utilizing the musical talents of its board members and the voices of its outstanding community chorus, MISH frequently brings in professional musicians to take part in its concerts. The support services are equally professional – high quality sound and lighting, beautifully produced programs, and ample publicity and signage opportunities.

MISH's Bright Future

The new season, beginning in the fall of 2015, includes the first visit to this area of the famous Trinity Wall Street Choir with a performance of Handel's *Messiah*; a program of Movie Music presented by Peter Dinklage; and appearances by the Antioch Chamber Ensemble, the Sebastians, and, of course, our own Somerset Hills Community Chorus. Alongside these performances is an expanded education program, including more of our popular summer camps and an early childhood music class. The new season began with another *Bel Canto* gala - our annual celebration of music at Trump National Golf Club in Bedminster on Sunday, October 4.
